

Edward Kavazanjian, Jr., Ph.D., P.E., D.GE

Edkavy@asu.edu

Dr. Edward Kavazanjian, Jr. is a Professor of Civil Engineering at Arizona State University (ASU). He joined the faculty at ASU in August 2004 after 20 years as a practicing geotechnical engineer. Dr. Kavazanjian has Bachelor and Master of Science degrees from M.I.T. and a Ph.D. from the University of California at Berkeley. He is recognized for his work on earthquake engineering and on design and construction of waste containment systems. He is recipient of the 2009 Ralph B. Peck and 2011 Thomas A. Middlebrooks Awards from the American Society of Civil Engineers for his contributions to landfill engineering.
